The above petition and extension of stay have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted an extension of stay who leaves the U.S. must normally obtain a new visa before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
